## UNINSULATED <br> BARE STORAGE TANKS

A. 0 . Smith commercial water storage tanks are designed for use with domestic water systems and provide storage capacity for large water draws. These uninsulated storage tanks are glass lined, built and tested in accordance with ASME code Section IV, HLW. They are available in vertical and horizontal mounting options.

## PERMAGLAS® ${ }^{\circledR}$ GLASSLINING

- All internal surfaces exposed to water are glasslined per ASME HLW procedures
- Glass is highly resistant to effects of temperature, corrosion and electrolysis

## SIZES FROM 80 TO 2,000 GALLONS

- For horizontal installations, optional tank saddles are recommended (Tanks 500 gallon and above must be specified Horizontal or Vertical)

## CATHODIC PROTECTION

- Heavy duty anode rods provide advanced against corrosion.

## WORKING PRESSURES

- Tanks tested at pressures assigned in accordance with working pressures shown in table on the following pages

## CUSTOM TANKS

- For our full line of custom tanks, please see the A. O. Smith Custom-Line HD storage tank spec sheet

## OPTIONS

- ASME and National Board Certification sheets - furnished upon request
- Tank saddles

## FIVE-YEAR LIMITED TANK WARRANTY

- For complete information, consult written warranty or contact A. O. Smith

Attention: Significant changes have been made to models now manufactured in Lebanon, TN. Please note that this Spec Sheet refers to models manufactured in McBee, SC, and Lebanon, TN.

## SUGGESTED SPECIFICATION

Glasslined storage tank(s) shall be A. O. Smith glasslined storage tank(s) or equal. Tank(s) shall be $\qquad$ " x $\qquad$ " and have a nominal capacity of $\qquad$ gallons. Tank(s) shall have threaded openings as shown on drawings. Exterior of tank(s) shall be thoroughly cleaned and painted. Interior of tank(s) shall be glasslined with an alkaline borosillcate composition which has been fused to the steel base by firing at a temperature of $1600^{\circ} \mathrm{F}$. Cathodic protection shall be provided. The storage tank(s) shall have a working pressure of $\qquad$ psi. The storage tank shall have a five-year limited warranty as outlined in the written warranty.
